

The heroism of this story is not the stereotyped young heroism of the war, but the heroism of the peace. It is the story of a young man who is called to the colors by the war, and who, after a year of service, returns home to find his country in a state of peace. He is called to the colors by the war, and he goes to the front. He is called to the colors by the war, and he goes to the front.

EARLY LOANS. The Financial Troubles of the Colonies.

How his Catholic Majesty of France Evidenced His Friendship and Affection for the United States—Money that was Borrowed a Century Ago.

One of the most interesting chapters in the history of the United States is that which relates to the financial troubles of the colonies. It is a story of struggle and sacrifice, of the men who stood up for the rights of the people against the power of the king.

Without any expectation of repayment, though with a stipulation that it should be repaid. The contract was made with the United States government, and the money was used for the benefit of the colonies.

The British Quarterly Review. The latest republication of the British Quarterly Review contains an account of the financial troubles of the colonies, and the efforts of the British government to help them.

The Art Amateur. The current number of the Art Amateur is copiously illustrated with engravings of pictures in the Paris Salon, and other artistic subjects.

The Art of Illumination. There can be little doubt that the art of illumination is one of the most beautiful and useful of the arts. It is an art that has been practiced for centuries, and it is still one of the most popular of the arts.
